

6450-C SILM

FROZEN BEVERAGE FREEZER

Single flavor, Countertop, Gravity feed

Most **Compact & Versatile**

Single flavor counter model for frozen beverage, smoothies and milkshakes

Fast Freeze Down

Patented high efficiency heat exchanger allows fast freeze down with low energy consumption

Simple Control, Easy Operation

Simple and intuitive control system makes operation and viscosity adjustment easy, swift and more precise

Low Mix Indicator

Light turns "ON" at low mix to alert operator to add mix

See-through Dispensing Door

Clear dispensing door design makes product more attractive and serves as great marketing tool

Standby & Indicator

Maintains product temperature in both mix hopper and freezing cylinder below 4.4°C (40°F) overnight; Indicator lights up during Standby

Perfect solution for alcoholic and non-alcoholic frozen beverages in bars and restaurants

Hopper Agitator

Maintain product consistency and prevent product separation

Operation Mode Indicator Light

RGB light illuminates in various colors to indicate different modes of operations. Help identify current status of the machine for routine operation, maintenance, troubleshooting and service

Self-closing Dispensing Valve

Automatically prevents product overflow after dispense

Safety Protections

- High pressure switch to prevent compressor overheating
- Thermal overload to protect from motor overheating
